

**sdmay20-22: Real-time Re-Recommendation System for POI Visits**

Week 2 Report

September 16 - September 26

**Team Members**Dheepak Nalluri — *Report Manager*James Eehinus — *Database Manager*John Smolinski — *Chief Engineer*Andrew Peters — *Meeting Facilitator*Geng Sun — *Scribe***Summary of Progress this Report**

Each of us continued our mentioned research from report 1. For the lightning talk, our group generated story cards and a use case diagram.

**Pending Issues**

After a meeting with our client, we need to revise our use case diagram and add story cards

**Plans for Upcoming Reporting Period**

Update use case diagram, build system design, and further explore our design and requirements

**Individual Contributions**

Team Member	Contribution	Weekly Hours	Total Hours
